ADG CPA

To the Board of Directors of
Animal Charity Evaluators

I have audited the accompanying financial statements of Animal Charity Evaluators (a nonprofit organization), which comprise the statement of financial position as of December 31, 2015, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Animal Charity Evaluators as of December 31, 2015, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

ANIMAL CHARITY EVALUATORS
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2015

Note 1. Nature of Organization

Animal Charity Evaluators (ACE) was founded under the name Effective Animal Activism (EAA), a project under the Centre for Effective Altruism in Oxford, England. In November 2013, EAA merged with a US-based nonprofit, Justice For Animals, which allowed EAA to maintain their original mission of providing advice to donors on the most effective animal charities and building a community of effective altruists interested in animal issues. EAA became an official 501(c) (3) in November 2013.

In December 2013, EAA rebranded as Animal Charity Evaluators, and is currently operating out of San Diego, CA as a US-based nonprofit. ACE has narrowed its focus to research and outreach. ACE's mission is to find and advocate the ways to most effectively help animals. Our vision is a world free of avoidable suffering where animals are given equal consideration regardless of their species.

ACE researchers interventions and organizations to determine the most effective ways to help animals. This includes using rigorous evaluation criteria to evaluate the methods employed by various organizations as well as their own strategy and structure.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting: The accompanying financial statements are prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles whereby all revenue is recognized when earned and expenses are recognized with incurred.

Fund Accounting: To ensure observance of limitations and restrictions placed on the use of available resources, the accounts of ACE are maintained in accordance with the principles of fund accounting. Under such principles, resources for various purposes are classified for accounting and reporting purposes into funds that are in accordance with specified activities or objectives.

ACE also prepares financial statements in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958-205 and subsections. Under ASC 958-205, ATP is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Unrestricted Net Assets – Net assets not subject to donor-imposed restrictions or stipulations as to purpose of use.

Temporarily Restricted Net Assets – Net assets subject to donor-imposed stipulations that may or will be met either by actions of ACE and/or the passage of time. ACE does not have any temporarily restricted net assets as of December 31, 2015.

ANIMAL CHARITY EVALUATORS
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2015

Note 2. Summary of Significant Accounting Policies, continued

Fund Accounting, continued:

Permanently Restricted Net Assets – Net assets that are subject to donor-imposed restrictions of investing the principal contribution in perpetuity and the investment income be used for ACE's operations and programs. ACE does not have any permanently restricted net assets as of December 31, 2015.

Revenues are reported as increases in unrestricted net assets unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in unrestricted net assets. Gains and losses on assets and liabilities are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor restriction or by law.

Cash and Cash Equivalents: ACE has defined cash and cash equivalents as cash in banks and money market funds with an initial maturity of three months or less.

Concentration of Credit Risks: ACE places its temporary cash investments with high-credit, quality financial institutions. At times, such investments may be in excess of the Federal Deposit Insurance Corporation insurance limit. ACE has not incurred losses related to these investments. Cash in one financial institution at December 31, 2015 was \$308,459.

Functional Allocation of Expenses: The costs of providing the various programs and supporting services have been summarized on a functional basis in the statement of functional expenses. Costs that are not directly associated with providing specific services have been allocated based upon the relative time spent by employees of ACE providing these services.

Donated Materials and Services: Donated materials and services are recognized as contributions if the materials or services (a) create or enhance non-financial assets, or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by ACE. Volunteers provide services throughout the year that are not recognized as contributions in the financial statements since the recognition criteria were not met.

Use of Estimates: The preparation of the financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates. Management believes that these estimates and assumptions provide a reasonable basis for the fair presentation of the financial statements.

ANIMAL CHARITY EVALUATORS
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2015

Note 3. Income Tax Status

ACE is an Illinois Not-For-Profit corporation exempt from federal and state income taxes under Internal Revenue Code Section 501(c)(3) and Illinois Income Tax Act Section 205(a), respectively, whereby only unrelated business income, as defined by Section 509(a)(1) of the Internal Revenue Code is subject to federal income tax. ACE currently has no unrelated business income. Accordingly, no provision for income taxes has been recorded.

U.S. generally accepted accounting principles require ACE management to evaluate tax positions taken by ACE and recognize a tax liability if ACE has taken uncertain tax positions that more-likely-than-not would not be sustained upon examination by applicable taxing authorities. Management has analyzed tax positions taken by ACE and has concluded that, as of December 31, 2015, there are no uncertain tax positions taken, or expected to be taken, that would require recognition of a liability or that would require disclosure in the financial statements.

ACE is subject to routine audits by taxing jurisdictions. However, currently no audits for any tax periods are in progress.

Note 4. Subsequent Events

The management of ACE have reviewed the results of operations and evaluated subsequent events for the period of time from its year end December 31, 2015 through June 10, 2016, the date the financial statements were available to be issued, and have determined that no adjustments are necessary to the amounts reported in the accompanying financial statements nor have any subsequent events occurred, the nature of which would require disclosure.
