

Please consider the top 3–5 programs that your organization invests in (considering both the time and the funding invested). Listing just your top 3 programs is entirely sufficient for us—only list 4 or 5 if you really invest in them all equally and can't select just 3. For each program, it would be helpful for us to know the time invested, the funding invested, the number of years the program has been active, and some of the primary outcomes.
